

## 2019 Training Opportunities

# Older Adult Mental Health Study Day

### Aims/Purpose:

The aim of this study day is to extend the knowledge of registered nurses and enrolled nurses regarding the key aspects of mental health in elderly. It has expert speakers with many years of experience in the field. The course equips the RN/ENs with the basic skills of mental health assessment and provides broad understanding of the legal implications for the Mental Health Act and duty of care. The course provides nurses the tools required to care for an older adult patient.

### Content:

Content may include:

- EPOA & Guardianship
- Mental Health Act & Duty of Care
- Dementia & Cognitive assessments (MOCA & ACE 3)
- Delirium
- Depression in Elderly
- Medication commonly used.
