

2021 Training Opportunities

Preceptor Training

Aims/Purpose:

Preceptor training is aimed at preparing nurses to support new graduates, students and colleagues within the clinical workplace. At the completion of this course nurses will have an increased understanding of the important components needed for successful preceptorship.

Content:

- Introduction to the preceptor role
- Learning styles and adult learning principles
- Practice tools for assessment & preceptorship
- Role modelling & Socialisation
- Communication skills, conflict resolution & giving feedback
- Direction & delegation – the basics
