Dear

State Services Commission Inquiry into the use of External Security Consultants

In response to the email dated 27 July 2018 from Andrew Royle (Chief Legal Officer, State Services Commission) and the attached letter from Doug Martin (Inquiry Head, Martin Jenkins) dated 23 July 2018, Hutt Valley DHB can confirm the following:

- The DHB has not used Security Consultants Thompson and Clark Investigations Limited (TCIL) or its associated entities;
- The DHB's only use of a security consultant was in relation to the development of the PSR Framework and Self Assessment Report. This work was supported by Michelle Mashal, South Island Alliance Programme Office.

Kind regards

Dale Oliff
Acting Chief Executive
