

## 2022 Training Opportunities

### Name: AHST Preceptorship Workshop

**Aims/Purpose:** This course aims to support those who are taking on a preceptor role for a new graduate within the Allied Health, Scientific and Technical (AHST) professions at CCDHB & HVDHB

#### Content:

- demonstrate knowledge and understanding of the aims of the AHST new graduate programme
- outline the roles and responsibilities of the preceptor for AHST new graduates
- describe different learning styles and demonstrate understanding of how these can be supported in the preceptor relationship
- confidently assess the skills and knowledge of the new graduate and provide useful and effective feedback
- demonstrate awareness and understanding of their own resources and sources of support within the preceptor relations
