

2022 Training Opportunities

PLS - Paediatric Life Support

Aims/Purpose:

The Paediatric Life Support (PLS) course is a one-day course provided by DHBs throughout New Zealand which is especially suited to junior doctors and nursing staff.

Content:

The 1 day PLS course is based on the systematic approach taught on the Advanced Paediatric Life Support (3 day) course. The focus of the course is on the management of the severely ill or injured child in the first 15 minutes of care.
