

21 December 2018

Thank you for your request dated 8 November 2018 requesting information under the Official Information Act 1982, regarding rates of people identifying as transgender presenting to endocrine services. You requested:

*“I was perhaps not clear in my original request that I am interested in the trend over time rather than just the cumulative figures.*

*Could I please have a breakdown for each year for the numbers of referrals and the breakdown of ages (youngest/oldest/median) and how many transitioning female to male or male to female in EACH of those years, from 2011.”*

The information pertaining to your request is below.

Gender	Values	2010/20 11	2012/20 13	2013/20 14	2014/20 15	2015/20 16	2016/20 17	2017/20 18	2018/20 19
